## Teacher Notes:

PALS testing is complete! Everyone did a phenomantl job and I am so excited about everyone's progress! They are ready for 1<sup>st</sup> grade!

Beach day is coming up and Mr. Nelson always needs lots of help with this activity. If you are able to help, please let me know.

Ice cream is back! After taking a vacation, kindergartners will be able to purchase ice cream again on Mondays! Remember that ice cream costs 65 cents and ice cream cannot be charged. Even if your child has 65 cents and they owe money on their account, they cannot purchase ice cream; the money will be put on their account to pay their balance.

FYI - children cannot charge lunch after May 15<sup>th</sup>. Children will still receive lunch if they owe a balance but it will be a cheese sandwich; they will not be able to choose their entrée.

Please check your child's bablance or send money just in case. Eny money left on the account will roll over to the enxth school year.

## Language Arts:

We completed our zoo unit. This week, we learned all about monkeys, lions, and giraffes. There were lots of fascinating facts! Our zoo books were sent home on Wednesday; please take the time to look at these with your child. They were very proud of their completed projects.

## Math:

We continue to practice all of our math skills. Our favorite activity was sorting zoo animals. We sorted the animals by their mode of travel, by how many legs, by what they ate, and by many more different ways. Measuring monkey tails was lots of fun too! We compared the sizes of each monkey's tails to see which one was the biggest and smallest.

## Other Activities:

We skipped centers this week and earned extra recess.

## Special Reminders:

- Ice Cream for Kindergarten is on Mondays! Please send in 65 cents to purchase ice cream. If you do not wish for your child to have ice cream, please let us know.
- Please send all money in the Ziploc baggie in your child's folder with a note telling us what the money is for.
- Please notify us of any changes to your child's dismissal procedure immediately with a handwritten note or a phone call.
- Please return your child's folder daily!

## Homework:

Please read together every night!

## Next Week:

We will learn to write the letter "o" and learn all about ocean animals.

*"You only have to  
read on the days  
you eat!"*
